RELEVANT EXPERIENCE

Foreign Expert

Dec 2022 - Jul 2024

Mahidol University, Faculty of Public Health | Bangkok, Thailand

[40 hrs/week]

- Supported a community-based malaria intervention serving migrant populations along the Thailand-Myanmar border, collaborating with community health volunteers and local public health partners.
- Helped train community health volunteers in blood collection, microscopy, and malaria identification; interviewed residents who tested positive to examine home conditions, occupational exposures, and health behaviors relevant to prevention.
- Developed project evaluation forms, summarized results for KPI reporting, and prepared reports and briefing materials for faculty leadership.
- Coordinated research partnerships and project communications across an international network of 186 institutions spanning more than 30 countries.

Applied Research and Data Analysis Intern

Jan 2026 - Present

University of Michigan, Department of Political Science | Ann Arbor, MI

[15 hrs/week]

- Cleaned, validated, and analyzed survey data from more than 3,000 respondents using Python, applying quality-control checks to support accurate and reproducible analysis.
- Analyzed open-ended responses to identify recurring themes and behavioral patterns; translated findings into charts and concise summaries for research reports and project updates.
- Documented data-cleaning and quality-control procedures to support consistent, reproducible workflows.

Graduate Coordinator for Events and Partnerships

Sep 2025 - May 2026

University of Michigan, Spectrum Center | Ann Arbor, MI

[20 hrs/week]

- Coordinated inclusive student-facing programs and cross-unit partnerships; managed timelines, budgets, logistics, purchasing, and stakeholder communication.
- Used Qualtrics to track attendance, collect participant feedback, and organize survey data for program reporting and evaluation.

Program Assistant

Aug 2024 - Aug 2025

University of Michigan, Office of the Provost | Ann Arbor, MI

[20 hrs/week]

- Analyzed engagement and institutional data related to student travel safety and identity-abroad initiatives; synthesized findings into reports, presentations, and visual materials.
- Coordinated accessible resource and website updates across university units and collaborated with stakeholders on student-facing educational materials.

Career Support Specialist

Sep 2021 - May 2022

University of Michigan, School of Public Health | Ann Arbor, MI

[15 hrs/week]

- Facilitated career-development workshops, provided individual guidance, and developed accessible student resources.
